

# Eco-Friendly & Sustainable Products

هدية الشمس  
التجارة العامة ش.ذ.م.م  
Hadiat Al Shams General Trading L.L.C

Our collection is curated for those who seek to make a meaningful difference through everyday choices. This range of reusable products harmoniously blends sustainability, quality, and style. Made from a versatile palette of eco-friendly materials like stainless steel, bamboo, ceramic, and natural fibers, each item is meticulously designed for a lasting impact—on your lifestyle, not the planet.

Crafted from waste materials and infused with the promise of new life, our Plantable Collection redefines the concept of product lifespan. Each seed-embedded item, be it a business card or a coaster, is an invitation to engage with sustainability on a personal level. As these items serve their initial purpose, they hold the potential for a second act: transforming into plants that enrich your space and the environment.

## YOUR ROUTE TO ROOT

1

### Tear It:

Gently tear your plantable item into smaller pieces.

2

### Moisten:

Soak the torn pieces in water for sometime.

3

### Plant:

Place the moistened pieces in soil and cover lightly. Ensure the planted item is in a spot with good sunlight.

### Love & Sunshine:

Water regularly and make sure it gets plenty of sunshine. Watch as it transforms into a plant.

As you reach the end of our catalogue, we invite you to consider not just a product, but a journey—a journey that starts with a simple, functional item and culminates in the blossoming of something beautiful. Our most-loved range of plantable notebooks, planners, and even colouring books are not just about capturing thoughts or scheduling tasks. They're about sowing seeds—literal and metaphorical—for a future that is greener, more mindful, and deeply connected to the natural world.
